UPCOMING ELECTIONS!

President's Message:

Welcome to April Everyone,

The first and most important item is our upcoming election at the meeting; this year it is for the offices of President and Treasurer. Nominations remain open and if you are interested in throwing your hat into the ring, please let one of our nominating committee members know. They are Sue Connor, Mary Troseth, and Leslie Laveroni. To date nobody has entered and JerryG has indicated he is willing to continue at the Treasurer's position.

Next item, April's outing, we are scheduled for the Hall of Fame claim, but there are several problems I am trying to work through. 1). the heat, but it is supposed to moderate over the first 2 weeks of the month. If, however, it jumps back up to the mid 90's and over I plan on cancelling the trip as it becomes dangerously hot, combined with the distance off road to the claims and no water refills close by. 2). the Federal Judge's ruling concerning the road closures. From the north boundary of Joshua Tree to Route 62 is technically within the "Critical Habitat Area" and is possibly closed. Reports from the field within the past 2 weeks are that there are no signs or red blades in the Dale districts. I need to again check the various websites to see if there is any additional information available. As a Plan B we will switch to our Freedom claims as they are outside of the affected area. 3). Hopefully, we are close to the end of the rainy season, but a small storm is due during the first week of April with significant cooling and they are predicting only spotty showers if any at all. I will make a final decision leading into the meeting on Wednesday and then send out an email to everyone.

Lastly;

The prices of Gold and Silver have faded a bit since the start of the Iran War with the big investment houses still calling for mid \$6,000 by the end of the year, but who knows. It is already affecting the price of gas, groceries, and the inflation rate. Also, a reminder, the scammers are hard at work and for the sixth month in a row WE DO NOT REQUEST ANY ASSISTANCE FROM THE MEMBERS IN

(continued)

PAYING ANY OF THE ASSOCIATION BILLS OR VENDORS.

That's about it for now.

See you at the meeting or outings.

March's "Outing"

I am just back from the March trip to our "Plan B" outing to Fairmount Park up in Riverside and the Old City Quarry aka North Hill. We had to reschedule the venue due to parking and safety concerns in the last 2 weeks. Caltrans dropped boulders in some of the parking areas and the Old Hope Mine site is covered with 3-foot weeds infested with rattlesnakes brought out by the hot weather. 13 of us from all 3 of the SoCal GPAA Chapters (San Diego, Temecula, and Hemet) showed up to explore a new area that is reputed to have 3 types of Garnets, Malachite, Calcium Carbonate and more. We lucked out on the weather on a weekend when the various other desert outings in the southwest were cancelled due to the unseasonably high temps in the solid triple digits, it was in the 80's when we climbed the hill to the quarry and did our rockhounding, and never went over 93 during the picnic portion of the outing. Although a small location, there were some interesting features. The base rock was dioritic granite laced with pegmatites containing black mica and amphibole inclusions. Also visible were areas of iron oxide ranging in color from yellowish/orangish to rust, dark chocolate brown, and black. Probably the minerals limonite, siderite, and possibly manganese. We also observed some areas where people have picked out small diggings where they were looking for better concentrations of minerals like malachite and some blue indicators of copper, epidote greenstone, and in one case a small stone of better formed quartz which showed 2 small garnet crystals forming, but that was pretty much it.

All in all, everyone had a good time and Jeanny provided some give away mineral samples to those that wanted them.

A special thanks to Jeanny for helping plan and save the outing.

Volunteers Needed!

Many club positions are open!

More hands less work! If you have any questions just call Jerry Kaplan.

What did I sign on the back of the Membership Application?

Treasure Seekers of San Diego County (TSSD) Claim Rules and Regulations

Mining claims are not real property, but a claim to minerals on public lands.

Mining claims held by the Treasure Seekers of San Diego County (TSSD) are subject to the rules and regulations of the holders of these public lands and TSSD.

Each TSSD membership is a family membership including the member's spouse and/or children under the age of 18 years. After purchasing a TSSD membership Claims Guide, TSSD members may take family members with them when visiting TSSD listed claims. TSSD members visiting Gold Prospectors Association of America (GPAA) claims are subject to GPAA rules and regulations.

The TSSD claims are for the use of TSSD members only. A guest can only go to the organization claims with a TSSD member. A limit of 2 guests with an additional 2 guests by permission of the TSSD President. The guest is limited to two visits and then must then become a member of the TSSD and purchase a TSSD Claims Guide. Unruly guests are the responsibility of the corresponding TSSD member.

Members are required to be members in good standing of the Treasure Seekers of San Diego County with current membership card and TSSD Claims Guide.

Any children under the age of 18 years old are the sole responsibility of the parents and must be under the direct supervision of the parent at all times while out on the organizations claims. Unruly children are the responsibility of the corresponding adult.

Members must accept all responsibility for injury to themselves and/or family members and/or guest while on claims open to TSSD members. Members also are personally responsible for any damage caused by either themselves, family members or guests.

Animals are discouraged unless they are kept on a leash at all times. The animal's owner is liable for the animal's actions. If the animal becomes a nuisance, they can be barred from the organization claims.

All equipment, vehicles or other items at the claims are the sole responsibility of the owner and no liability is accepted or assumed by the Treasurer Seekers of San Diego County.

The claims are subject to Fish and Game, Army Corps of Engineers, Department of Forestry, Bureau of Land Management, State and Local regulations. Violators of their regulations will be subject to disciplinary actions or termination of membership by the TSSD.

The BLM and Forest Service require that all areas of surface disturbance be returned to their original contours. This can be done by filling in holes when mining activity is finished. Be sure to fill any holes and ditches you or your guest(s) make while working on the claims. Plant removal is strictly forbidden. Pick up any trash that you have while working or occupying any of the claims. Please keep these claims and public lands clean. TSSD members of good standing are issued a Membership Card that is good from May to April the following year. A current Membership Card MUST be displayed on your person and you MUST have your Claims Guide in your possession while prospecting on the TSSD claims.

If you encounter individuals who do not follow these regulations, inform them of their activities. If they appear uncooperative, you may report them to any TSSD officer so that TSSD can take appropriate action.

See Jerry Goldstein for your winning tickets!

TSSD does not charge dues. Outings are free, prospecting our claims is free, the library is free, and the education and companionship are priceless and free. Yet TSSD still has to pay rent, pay the mining claim fees, pay the storage bill for the meeting and event items, gold and raffle item costs, printing fees and numerous other monthly costs.

Please support “your” Association! Participate! Buy some tickets! Win!

A special ‘ticket’ is given to you for every \$20.00 spent at a meeting. This ticket is for a “Super Prizes” that will be drawn at the February 2023 meeting.

Claim Use Form:

We hope our members are out enjoying our claims during this time.

PLEASE remember to the last page of this newsletter, the “Claim Use Form”, and fill it out and mail it to the address that is printed on it or drop it off at the sign-in table at the meeting.

Camping on BLM Land:

All of our claims are on BLM Land. Here is their newest ruling regarding camping on BLM Land: On most BLM lands, you may camp for free without a permit for up to **14 days** at a time at the location of your choice. You must then **move at least 25 miles away** to another campsite, and you cannot return to the original area for 28 days. Fires are allowed in most areas, however check with the field office where you plan to camp to determine whether a fire permit is necessary.

Know the Difference:

TSSD is not a ‘club’ nor are we ‘recreational miners’.

We are a ‘Association’ which ties us to the 1872 mining laws and we are “small miners”.

Use these terms when approached by any law enforcement official while out mining.

And **ALWAYS** have your claims guide and current membership card with you.

What Do You Mean My Membership and Card Has Expired:

If you do not have the new ‘Pink’ colored membership card then your membership with TSSD has expired and you are no longer considered a member of TSSD in good standing.

This means that you are no longer able to use the TSSD claims – period.

If you are on a TSSD claim without a current “Pink’ membership card then you are considered “claim jumping” and legal recourse could be taken. Holding a TSSD claims guide does not give you the right to work our claims. You must have a current membership card as well.

Attendance Year:

Treasure Seekers of San Diego has an unusual attendance year. We were founded in May and our elections are held in April. Thus, our yearly attendance requirement runs from May to April. You are required to attend a meeting every three (3) months in order to maintain your membership status.

TSSD Membership:

Membership to Treasure Seekers of San Diego is free. We do not charge an annual due. All that is asked is that you attend meetings, participate and support the group through its opportunity drawings and events. To maintain membership, you **MUST** attend one meeting every three (3) months.

1 st meeting:	Complete and turn in a membership application.
2 nd meeting:	You will be given your TSSD membership card.
3 rd meeting:	You will be able to purchase a TSSD Claims Guide with proof of your membership card.

Conduct and Code of Ethics:

Members shall conduct themselves in the highest ethical standards and reflect no discredit upon this association. This standard shall be one of the qualifications for membership in this association. Any violation of these standards shall be deemed grounds for expulsion or acceptance.

Termination/Suspension of Membership:

The Board of Directors, by an affirmative vote of two-thirds (2/3) of all members of the Board, may suspend or expel a member of the Corporation for cause after an appropriate hearing before the Board. The term “for cause” shall include (a) the member's conviction of a felony, acts of reckless endangerment, failure to perform commitments made to the Corporation, conduct on the part of the member that would render him/her ineligible for indemnification if required by the Board and member conduct which constitutes a conflict of interest with TSSD.

Membership Cards are to be worn:

Your “Pink” colored Membership cards are to be worn at the meetings and while at the claims. This way we know that you are already a member. Not to be stored in your claims guide or in a drawer or your vehicle.

G.P.A.A.:

Treasure Seekers of San Diego is a chapter of G.P.A.A. This does not require you to become a member of G.P.A.A. but if you are, please advise them that you are also a member of TSSD, so that we are eligible for ‘points’ from your membership. TSSD uses those ‘points’ to obtain opportunity raffle items.

Caretaker of Claims:

TSSD does **NOT** have any ‘Caretakers’ on any of our claims. If someone is representing themselves as a caretaker of one of our claims – they are not. Please report this information to the Board if someone does.

See Someone Claim Jumping:

By Charlene Myers

If you see someone that you think or know for a fact is claim jumping one of our claims –do the following:

Photograph the person, vehicles, equipment and whatever else you can and send the information to the Board including the date, time and location of the possible offense.

If the offender becomes agitated while you are doing this, it is recommended to contact the local law enforcement and tell the officer of the Penal Codes for reference:

California Penal Codes for Claim Jumpers:

By Charlene Myers

California Penal Code – “THEFT”; “GRAND THEFT”
Title 13 – “OF CRIMES AGAINST PROPERTY”
Chapter 5 – “LARCENY” (Section 484-502.9)

Section 486:

Theft is divided into two degrees, the first of which is termed grand theft; the second, petty theft.

Section 487:

Grand theft is theft committed in any of the following cases:

- (a) When the money, labor or real or personal property taken is of a value exceeding nine hundred fifty dollars (\$950), except as provided in subdivision (b).
- (b) Notwithstanding subdivision (a), grand theft is committed in any of the following cases:
 - 3(c) When the property is taken from the person of another.

Section 487d – Grand Theft; gold dust, amalgam, or quicksilver:

Every person who feloniously steals, takes, and carries away, or attempts to take, steal, and carry from any mining claim, tunnel, sluice, undercurrent, riffle box, or sulfurate machine, another’s gold dust, amalgam, or quicksilver is guilty of grand theft and is punishable by imprisonment pursuant to subdivision (h) of Section 1170.

Section 1170. (h)(1):

Except as provided in paragraph (3), a felony punishable pursuant to this subdivision where the term is not specified in the underlying offense shall be punishable by a term of imprisonment in the county jail for 16 months, or two or three years. Fine authorized in addition to prescribed imprisonment, see Section 672.

California Penal Code §672:

Upon a conviction for any crime punishable by imprisonment in any jail or prison, in relation to which no fine is herein prescribed, the court may impose a fine on the offender not exceeding one thousand dollars (\$1,000) in cases of misdemeanors or ten thousand dollars (\$10,000) in cases of felonies, in addition to the imprisonment prescribed.

Treasure Seekers of San Diego County

Mission Statement

Treasure Seekers of San Diego County (T.S.S.D.) was officially organized on May 21, 2003 when the election of officers was held. We are a G.P.A.A. chapter. Non G.P.A.A. members may attend meetings and participate in the raffle, but are not eligible to vote, hold office, be on the claims committee, or utilize G.P.A.A. claims. The purpose of this organization is to provide an environment to increase public awareness, with education and training, of locating, identification and legal removal of minerals, caches and treasures while keeping in mind the preservation of the environment and wild habitat. A Non-Profit 501(c)4.

Meetings are held at the Knights of Columbus Hall
315 West Valley Parkway, Escondido, CA 92025
On the first Wednesday of each month, 6:30pm – 9:00pm

In order to ensure that our claims are worked and so that we have records to prove it, we made up this form. If the BLM questions us as to the use of our claims or wants to close one of our areas to prospecting, we want to be able to produce records that show that our claims are being used. Thanks for your help. The form should be mailed to the above address or turned in at a monthly meeting.
