President's Message:

Welcome to October Everyone,
Well Fall has officially started and the Desert Season is about to begin again, at least until the predicted rains start. October and November can be some of our nicest months with occasional Santa Anas, and this pattern can extend into the end of a normal year, but who knows as we experience a mixed-up weather pattern with the impending "Super El Nino" predicted for this year. October 9-11 brings the PLP Fallfest at Duisenburg, and on the same weekend the AMRA Octoberfest at Slash X south of Barstow. TSSD has donated a nice, boxed silver round to PLP's raffle and again will be opening our claims around Freedom for people to use with the exception of Phoenix Gulch north of the railroad tracks. Due to the Jet Stream dipping straight south the temperatures around Red Mountain made a nice dip into the low 90's and there has been some Monsoon rain in the Barstow area from the hurricane moisture moving up from Baja.

There is a major bit of news concerning the West Mojave Roads closure. President Trump issued an Executive Order on May 29th rescinding both the Nixon and Carter Executive Orders that agencies have used to restrict OHV access to public land for the past 50 years. The closures are still currently in effect and working their way through the courts, Congress, and BLM. It has been reported by Ben Burr, Executive Director of BRC, in testimony before Congress that the business' around Randsburg are taking a large hit in their economy and may not survive if the reopening of the roads takes more than just this season. Nothing new on the US Forest service proposals.

Our next "regular" outing will be to Freedom claim in November after it traditionally cools off to a tolerable level.

Also, a reminder, WE DO NOT REQUEST ANY ASSISTANCE FROM THE MEMBERS IN PAYING ANY OF THE ASSOCIATION BILLS OR VENDORS. It is and has always been a scam!!

My travel plans have changed again, and I will be at the September meeting. That's about it for now.

See you at the meeting or outings.
Jerryk

Metal Detecting

On Sunday September 6th, 6 of us showed up to try our luck at Moonlight State Beach in Encinitas. There were overcast skies and just a splattering of raindrops from Hurricane Maria which also held the crowds to a minimum of Labor Day weekend. The tide was going out and there was a large beach break also from the hurricane offshore.

Treasure Seekers of San Diego County (TSSD) Claim Rules and Regulations

Mining claims are not real property, but a claim to minerals on public lands.

Mining claims held by the Treasure Seekers of San Diego County (TSSD) are subject to the rules and regulations of the holders of these public lands and TSSD.

Each TSSD membership is a family membership including the member's spouse and/or children under the age of 18 years. After purchasing a TSSD membership Claims Guide, TSSD members may take family members with them when visiting TSSD listed claims. TSSD members visiting Gold Prospectors Association of America (GPAA) claims are subject to GPAA rules and regulations.

The TSSD claims are for the use of TSSD members only. A guest can only go to the organization claims with a TSSD member. A limit of 2 guests with an additional 2 guests by permission of the TSSD President. The guest is limited to two visits and then must then become a member of the TSSD and purchase a TSSD Claims Guide. Unruly guests are the responsibility of the corresponding TSSD member.

Members are required to be members in good standing of the Treasure Seekers of San Diego County with current membership card and TSSD Claims Guide.

Any children under the age of 18 years old are the sole responsibility of the parents and must be under the direct supervision of the parent at all times while out on the organizations claims. Unruly children are the responsibility of the corresponding adult.

Members must accept all responsibility for injury to themselves and/or family members and/or guest while on claims open to TSSD members. Members also are personally responsible for any damage caused by either themselves, family members or guests.

Animals are discouraged unless they are kept on a leash at all times. The animal's owner is liable for the animal's actions. If the animal becomes a nuisance, they can be barred from the organization claims.

All equipment, vehicles or other items at the claims are the sole responsibility of the owner and no liability is accepted or assumed by the Treasurer Seekers of San Diego County.

The claims are subject to Fish and Game, Army Corps of Engineers, Department of Forestry, Bureau of Land Management, State and Local regulations. Violators of their regulations will be subject to disciplinary actions or termination of membership by the TSSD.

The BLM and Forest Service require that all areas of surface disturbance be returned to their original contours. This can be done by filling in holes when mining activity is finished. Be sure to fill any holes and ditches you or your guest(s) make while working on the claims. Plant removal is strictly forbidden. Pick up any trash that you have while working or occupying any of the claims. Please keep these claims and public lands clean. TSSD members of good standing are issued a Membership Card that is good from May to April the following year. A current Membership Card MUST be displayed on your person and you MUST have your Claims Guide in your possession while prospecting on the TSSD claims.

If you encounter individuals who do not follow these regulations, inform them of their activities. If they appear uncooperative, you may report them to any TSSD officer so that TSSD can take appropriate action.

TSSD does not charge dues. Outings are free, prospecting our claims is free, the library is free, and the education and companionship are priceless and free. Yet TSSD still has to pay rent, pay the mining claim fees, pay the storage bill for the meeting and event items, gold and raffle item costs, printing fees and numerous other monthly costs.

Please support “your” Association! Participate! Buy some tickets! Win!

A special ‘ticket’ is given to you for every \$20.00 spent at a meeting. This ticket is for a “Super Prizes” that will be drawn at the February 2023 meeting.

Claim Use Form:

We hope our members are out enjoying our claims during this time.

PLEASE remember to the last page of this newsletter, the “Claim Use Form”, and fill it out and mail it to the address that is printed on it or drop it off at the sign-in table at the meeting.

Camping on BLM Land:

All of our claims are on BLM Land. Here is their newest ruling regarding camping on BLM Land: On most BLM lands, you may camp for free without a permit for up to **14 days** at a time at the location of your choice. You must then **move at least 25 miles away** to another campsite, and you cannot return to the original area for 28 days. Fires are allowed in most areas, however check with the field office where you plan to camp to determine whether a fire permit is necessary.

Know the Difference:

TSSD is not a ‘club’ nor are we ‘recreational miners’.

We are a ‘Association’ which ties us to the 1872 mining laws and we are “small miners”.

Use these terms when approached by any law enforcement official while out mining.

And **ALWAYS** have your claims guide and current membership card with you.

What Do You Mean My Membership and Card Has Expired:

If you do not have the new ‘Blue’ colored membership card then your membership with TSSD has expired and you are no longer considered a member of TSSD in good standing.

This means that you are no longer able to use the TSSD claims – period.

If you are on a TSSD claim without a current “Blue’ membership card then you are considered “claim jumping” and legal recourse could be taken. Holding a TSSD claims guide does not give you the right to work our claims. You must have a current membership card as well.

Attendance Year:

Treasure Seekers of San Diego has an unusual attendance year. We were founded in May and our elections are held in April. Thus, our yearly attendance requirement runs from May to April. You are required to attend a meeting every three (3) months in order to maintain your membership status.

TSSD Membership:

Membership to Treasure Seekers of San Diego is free. We do not charge an annual due. All that is asked is that you attend meetings, participate and support the group through its opportunity drawings and events. To maintain membership, you **MUST** attend one meeting every three (3) months.

1 st meeting:	Complete and turn in a membership application.
2 nd meeting:	You will be given your TSSD membership card.
3 rd meeting:	You will be able to purchase a TSSD Claims Guide with proof of your membership card.

Conduct and Code of Ethics:

Members shall conduct themselves in the highest ethical standards and reflect no discredit upon this association. This standard shall be one of the qualifications for membership in this association. Any violation of these standards shall be deemed grounds for expulsion or acceptance.

Termination/Suspension of Membership:

The Board of Directors, by an affirmative vote of two-thirds (2/3) of all members of the Board, may suspend or expel a member of the Corporation for cause after an appropriate hearing before the Board. The term “for cause” shall include (a) the member's conviction of a felony, acts of reckless endangerment, failure to perform commitments made to the Corporation, conduct on the part of the member that would render him/her ineligible for indemnification if required by the Board and member conduct which constitutes a conflict of interest with TSSD.

Membership Cards are to be worn:

Your “Blue” colored Membership cards are to be worn at the meetings and while at the claims. This way we know that you are already a member. Not to be stored in your claims guide or in a drawer or your vehicle.

G.P.A.A.:

Treasure Seekers of San Diego is a chapter of G.P.A.A. This does not require you to become a member of G.P.A.A. but if you are, please advise them that you are also a member of TSSD, so that we are eligible for ‘points’ from your membership. TSSD uses those ‘points’ to obtain opportunity raffle items.

Caretaker of Claims:

TSSD does **NOT** have any ‘Caretakers’ on any of our claims. If someone is representing themselves as a caretaker of one of our claims – they are not. Please report this information to the Board if someone does.

See Someone Claim Jumping:

By Charlene Myers

If you see someone that you think or know for a fact is claim jumping one of our claims –do the following:

Photograph the person, vehicles, equipment and whatever else you can and send the information to the Board including the date, time and location of the possible offense.

If the offender becomes agitated while you are doing this, it is recommended to contact the local law enforcement and tell the officer of the Penal Codes for reference:
